Girl you dont know what you are to me
You are my baby doll
You are my compass star
You drive me up the wall
Girl you dont know what you mean to me
You are my everything
You are my alien
From s-p-a-c-e

[chorus]
[3x]
Please dont go
Wait
I just met you

Girl I feel just like a bird
Though I am just a nerd
I could fly around this world
With power from this word
Well bring the desert rain clouds
Fuck reality and doubt
Well theyll be vultures I see
Theyll chase me
Girl Im flying with thee

Roses are red
Yellow and white
