I saw you blink it's your only tell Now I  
know what you're thinking and it's just  
as well  
I want to give it all to you I want to  
give it all to you  
You're at the edge it looks like hell I  
had a hold of your shirttail in case you fell  
I want to give it all to you I want to  
give it all to you  
Fly over me to get there I want to see  
you up near I'll stand clear of you  
I saw you blink now I can tell You  
know what I'm thinking and it's just  
as well  
I want to give it all to you I want to  
give it all to you
