Arizona moon keep shining
From the desert sky above
You know pretty soon
That big yellow moon
Will light the way back to the one you love.

Blue shadows on the trail
Little cowboy, close your eyes and dream
All of the doggies are in the corral
All of your work is done
Just close your eyes and dream little pal
Dream of someone

(Boom boom boom boom, etc.)

Blue shadows on the trail
Soft wind blowing through the trees above
All the other little cowboys
Back in the bunkhouse now, so
Close your eyes and dream
