I've eaten many strange and scrumptious dishes in my  
time  
Like jellied bugs and curried slugs and earwigs cooked  
in slime  
And mice with rice is very nice when they're roasted in  
their prime  
But don't forget to sprinkle them with just a pinch of  
grime

I'm crazy 'bout mosquitoes on a piece of buttered toast  
And pickled spines of porcupines and then a great big  
roast  
And dragon's flesh, quite old, not fresh, it costs a buck  
at most  
(Does it come with gravy?)

It comes to you in barrels if you order it by post  
It comes to you in barrels if you order it by post

For dinner on my birthday, shall I tell you what I chose?  
Hot noodles made of poodles on a slice of garden  
hose  
And a rather smelly jelly, made of armadillo's toes  
The jelly is delicious, but you have to hold your nose

Peach, peach, peach, peach, peach, peach  
Peach, peach, peach, peach, peach, peach

I crave the tasty tentacles of octopi for tea  
I like hot dogs, but I love hot frogs, and surely you'll  
agree  
A plate of soil with engine oil's a super recipe  
(Recipe)

I hardly need to mention that it's practically free

Peach, peach, peach, peach, peach, peach  
Peach, peach, peach, peach, peach, peach

We hardly need to mention that it's practically free

Now comes, my fellow travelers, the burden of my

speech  
(You show off)  
These foods are rare, beyond compare and some right  
out of reach  
(Nice inn commodore)  
But there's no doubt I'd go without a million plates of  
each  
(Out of my face)

For one small mite  
(One small mite)  
One tiny bite  
(Tiny bite of this fantastic peach)

Peach, peach, peach, peach, peach, peach  
Peach, peach, peach, peach, peach, peach  
Peach, peach, peach, peach, peach, peach  
Peach, peach, peach, peach, peach, peach  
And this fantastic peach
