Good morning  
Good morning  
Good morning  
And a very  
Happy birthday to you  
Susie sing  
Happy birthday to Daddy  
Happy birthday to you,  
Happy birthday to you  
Susie sing  
Happy birthday to Daddy  
Happy birthday to you  
Now Daddy may not spend  
Much time with us  
(Fuck off)  
But I'm sure  
That he loves you a lot  
Susie sing  
Happy birthday to Daddy

He's the only daddy  
You've got  
(Fuck off)  
Fuck off  
But I'm the song  
That the trees sing  
When the wind blows  
Fuck off, but, honey,  
I'm the starlight  
And I'm a rainbow  
Susie sing  
Happy birthday to Daddy  
Happy birthday to you,  
Happy birthday to you  
Susie sing  
Happy birthday to Daddy  
Happy birthday to you
