Hate New York City
It's cold and it damp
and all the people dress
like monkeys

Let's leave Chicago
to the Eskimos that
town's a little bit rugged
for you and me girl

Rolling down Imperial Highway
big nasty Red head at my side
Santa Ana winds blowing hot from
the north we was born to ride

Roll down the windows
put down the top
crank up the beach boys
baby don't let the music stop
we gonna ride it till we
just can't ride it no more

from the sideway to the valley
from the west side to the east side

everybody very happy cause the sun is shining
all the time like another perfect day

I LOVE LA
we love it
I LOVE LA
we love it

WE LOVE IT

Look at the mountain look those trees
look at that bum over there man he's
down on his knees look at these women
ain't nothing like them no where

Century Blvd
we love it 2x

Santa Monica blvd
we love it

6th Street
(we love it 4x)

WE LOVE LA

I Lovr LA
(we love it 3x)
