What has happened down here, is the wind have
changed?

Clouds roll in from the north and it started to rain
Rained real hard and rained for a real long time
Six feet of water in the streets of Evangeline

The river rose all day, the river rose all night
Some people got lost in the flood, some people got
away alright
The river have busted through cleared down to plaque
mines
Six feet of water in the streets of Evangeline

Louisiana, Louisiana
They're tyrin' to wash us away
They're tryin' to wash us away
Louisiana, Louisiana
They're tryin' to wash us away
They're tryin' to wash us away

President Coolidge came down in a railroad train
With a little fat man with a note-pad in his hand
The president say, "Little fat man isn't it a shame
What the river has done to this poor crackers land"

Louisiana, Louisiana
They're tyrin' to wash us away
They're tryin' to wash us away
Louisiana, Louisiana
They're tryin' to wash us away
They're tryin' to wash us away

They're tryin' to wash us away
They're tryin' to wash us away
