My little buttercup has the sweetest smile  
Dear little buttercup, won't you stay awhile  
Come with me where moonbeams paint the sky  
And you and I might linger in the sweet by and by, oh...

Dear little buttercup, with your eyes so blue  
Oh little buttercup, you' re a dream come true  
You and I will settle down in a cottage built for two  
Oh, dear little buttercup, I love you...

Everybody!

My little buttercup, has the sweetest smile  
Dear little buttercup won't you stay awhile  
You and I will settle down in a cottage built for two, oh

Dear little buttercup  
Sweet little buttercup,  
My little buttercup  
I love you
