Woke up this mornin', feeling low  
Where my love once used to live  
She ain't there no more

Poor me  
Why such bad luck, fall on me?  
Poor me  
I'm livin' in misery

What I am gonna do  
It's hard to tell  
Lord, I'm not going to kill myself  
But I might as well

Poor me  
I'm so lonely can't you see?  
Poor me  
I'm livin' in misery

All I do the whole day long  
Fall down on my knees and pray  
You'll come back home

Poor me  
Why such bad luck, fall on me?  
Poor me  
I'm livin' in misery
