Was a little girl maybe five-foot-two had the cutest little
feet made my heart go tweet-tweet quite a pleasant
disposition then came a pretty young french girl, mmm
whom i met in las vegas when
There with my parents oh my had a real nice
conversation met a girl at the bakery she wanted to
borrow my car from me she took it down to mexico ran
over a man named juan then i went to college
A college girl she lived in the sorority house across
from the school got a real fine education had seven
women on my mind now i'm married have a very lovely
wife three cute little boys it's so
And that's just half the story of the girls in my life
