The time for us to say goodbye is near
The day I hoped would never come is here
Though many hearts are broken we must somehow
carry on
Cause I think you're gonna miss me when I'm gone
I thought my life was over when we met
So little to remember, so much to forget
Though it was you who saw me through the darkness to
the dawn
Still I think you're gonna miss me when I'm gone

I'm a modest man
And it hurts me to say these things to you
After all we've been through it's the least that I can do
So instead of just goodbye I'll say so long
And as for the light by which you see me leave it on
I'm a better man than I was before
knowing you has made me strong
and I sure am going to miss you when I'm gone
Yes I sure am going to miss you when I'm gone
