Pray me back home again
Think of me every time you can
The world was changed forever today
So you believe and I'll keep the faith

'Cause I can't fly and I can't drive back home
But I can feel all your cries on the phone
God only knows all that's wrong

So pray me back home again
Think of me every time you can
The world has changed for ever, no doubt
So pray for us with love and trust, your spouse

Our Father who art in heaven
Hallow be Thy name
Thy kingdom come, Thy will be done
On earth as it is in heaven

Give us this day our daily bread
And forgive us our trespasses
As we forgive those who trespass against us

And lead us not into temptation
But delivery us from evil
For Thine is the kingdom
And the power and the glory forever, Amen

'Cause I can't fly and I can't drive back home
But I can feel all your cries on the phone
God only knows all that's wrong

So pray me back home again
Pray for us with love and trust, your spouse

I pledge allegiance to the flag
Of the United States of America
And to the republic for which it stands
One nation under God
Indivisible with liberty and justice for all
