I have been taking my sweet time  
I've watched this day as it turned to night  
and maybe that wasn't the best idea for me  
I can't seem to find a light

in this place where I've lived awhile now  
though I've not spent much time here on my own  
and maybe that's because  
I love the sound  
of someone saying welcome home

so much of my memory is drenched in your perfume  
I remember you standing in the very room  
and I remember the way my hands felt on you  
and how you moved  
and when you go  
go away slow

cuz you are the one  
you are the one  
you are the one that got away

and I have been taking my sweet time  
I've watched this darkness give way to dawn  
and maybe I'll go put the kettle on  
and invite a friend to tea

there is a place  
where trust goes  
and I don't quite recall where I put mine down  
but maybe that's because I still don't know  
how to make it on my own

so I'm letting you go  
go away, slow  
cuz you are the one  
you are the one  
you are the one that got away  
oh

I have been taking my sweet time

I have been taking my sweet time  
I have been taking my sweet time...
