Oh lately, the winds have been threatening
Things have been getting so hard to control
But your love is holding me close
Like a rope on a flagpole
It won't let me go
It won't let me go

Well you can't stop some poison from spreading
Once it gets let in it knows where to go
But you saved me faster than a heartbeat
Wider than these arms reach
More than you know
More than you know

I've been a miner for gold
On the outskirts of town
And there's no one like you
I've been a face in the crowd
Going without the likes of somebody who
Loves me like you do

There's nothing I know now
No way to slow down
I'm drunk on the dance floor
Carry me home

'Cause we've got the street lights
We've got it alright
We've got this whole night
Carry me home
Carry me home

There's nothing I know now
No way to slow down
I'm drunk on the dance floor
Carry me home
Carry me home

'Cause we've got the street lights
We've got it alright
We've got this whole night

Carry me home
Carry me home
