3 a.m. and I'm all alone  
Try to call but I doubt you're home  
Not much has changed here on my end  
Sure would be good to see you again  
I know we had our fights  
Nothing since has felt that right  
Lived my life from day to day  
If I don't think too much everything is okay

I miss holding your hand  
Miss going on walks  
Miss being your man  
I miss watching you sleep  
Guess I just miss you... with me.

I still drive that same ol' car  
Still work at that run down bar  
Still hang out with that same group of guys  
And on Saturday nights, still go that dive  
Been two months since I had a drink  
Damn good for me, don't you think?  
Oh, it's been a year now since you've gone  
Oh I've tried my best, I can't move on...

Cause' I miss holding your hand  
Miss going on walks  
Miss being your man  
I miss watching you sleep  
Guess I just miss you with me...

If you give me a second chance  
I'll never let you go  
Wallowed all my pride and now I got a let you know...

I miss holding your hand  
Miss going on walks  
Miss being your man  
I miss watching you sleep  
Guess I just miss you...  
I guess I miss you... with me.
