I don't know who I am or why I take it this far
I wish I could find myself but I don't know where you
are
Woke up a little too late wearin' the same old shirt
Maybe I started a little too soon
'Cause I'm already slurrin' my words

Whiskey's got a hold on me
And I can't help myself
Well, I've been lost since you took off
Can't see me with anyone else
'Cause whiskey's got a hold on me

Got a pair of bloodshot eyes, everything to lose
Frying myself every night at this bar, it's yesterday's
news
Last call at 2 a.m., always tells the truth
I can tell when the lights come on, I'm still not over you

Whiskey's got a hold on me
And I can't help myself
Well, I've been lost since you took off
Can't see me with anyone else
'Cause whiskey's got a hold on me

You're all I see all the time
That's why I drink you off my mind

Whiskey's got a hold on me
I can't help myself
Well, I've been lost since you took off
Can't see me with anyone else
'Cause whiskey, I say the whiskey's got a hold on me
