My baby dont care for shows

My baby dont care for clothes

My baby just cares for me

My baby dont care for cars and races

My baby dont care for high toned places

Liz Taylors not his style

And even Lana Turners smile

Is something that he just cant see

My baby dont care who knows it

My baby just cares for me

My baby dont care for shows

My baby dont care for clothes

My baby just cares for me

My baby dont care for cars and races

My baby dont care for those high toned places

Liz Taylors not his style

And even Lana Turners smile

Is something that he just cant see

My baby dont care who knows it

Cause my baby just cares for me

My baby dont care for shows

My baby dont care for clothes, no  
My baby just cares for me  
Well I wonder whats wrong with my sweet baby  
'Cause my baby just cares for, oh  
My baby dont care for cars and races  
My baby dont care for fancy high toned places  
Liz Taylors not his style  
And even Lana Turners smile  
Is something he cant see  
I dont know whats wrong with my pretty pretty baby  
Cause my baby he really just cares for  
Oh oh my baby he only only swears for  
My baby he only just cares for me  
So there!
