Oooh...

Come to me baby, I got something to say  
I've been changing your direction every step of the way  
I bring you motion and I bring desire  
And I bring the potion to set you on fire

I know you need me, there can be no dou-ou-oubt  
You've got me held inside your love and I can't get out  
We must surrender to the powers that be-ee-ee  
The angel in you and the devil in me

Warm ride, war-ar-arm ride  
Baby that's the way you are (that's the way you are...)  
Warm ride, war-ar-arm ride  
We can reach the highest star (ooh-ooh-ooh-ooh-ooh-  
ooh-ooh)

Now I warn you woman, we are two of a kind  
And we both know what's comin', we got one thing in  
mind  
I give the pleasure, satisfaction you learn  
And I got the strength to make you burn, burn, burn

Warm ride, war-ar-arm ride  
Baby that's the way you are (woh-oh-woh-oh-woh-oh)  
Warm ride, war-ar-arm ride  
We can reach the highest star

Why are we waiting for this love on the ri-i-ise  
Why am I searching for the magic, it's in your eyes  
We must surrender to the powers that be-ee-ee  
The angel in you and the devil in me, Hoh...

Warm ride, war-ar-arm ride  
Baby that's the way you are (it's just the way you are-  
are)  
Warm ride, war-ar-arm ride  
We can reach the highest star

Warm ride, war-ar-arm ride  
Baby that's the way you are (the way you are-are)

Warm ride, war-ar-arm ride  
We can reach the highest star (the highest star-ar)  
Warm ride, war-ar-arm ride  
Baby that's the way you are (just the way you are-are)  
Warm ride, war-ar-arm ride  
We can reach the highest star (yeah-eah)  
Warm ride, war-ar-arm ride  
Baby that's the way you are (just the way you are)  
[fade]
