Coz your not worth the tears

Do wanna play her  
You think that ma loves a game.. no  
always wanna leave me in the rain.. cold  
dissapointed left coz her ma pain.. ooh  
wish you would just get up out ma way.. and  
love me before i love another place  
you cant.. selfish  
leave me off.. turn me on then your gone  
you know your wrong

used to let it hurt  
up all night..  
calling out for you  
you used to let it hurt  
you can show my life im calling out for you  
(im not gunna)

Im sick of being left out  
everytime you wanna pick sides.. i  
get the short end i dont deserve it  
its time i move on coz im worth this  
(you know, i know, i know)  
I got my confidence back  
my life im gon live it  
everything im tryna get  
im gon get it without you  
got me regretting the day i ever found you  
I used to

I used to let it hurt (let it cry)  
up all night.. calling out for you  
(calling out for you)  
used to let it hurt  
you can show my life im calling out for you  
(calling out for you)

Im not gunna cry  
Im not gunna cry

Coz your not worth the tears  
your not worth the tears  
Your not worth my tears  
your not worth the tears  
your not worth the tears  
Your not worth my tears

When it gets too far in love  
all that you do is hurt me  
im hurtt..  
im hurtt..  
When it gets too far in love  
all that you do is hurt me  
im gone..
