Finally, finally  
Finally, finally

I can't be mad, seeing you off with someone else's  
hand  
and I'm the one that said we're both single, you're  
single  
Commitment's not somethin' that i can grab  
But i thought you'd stay in the back  
Am i wrong for wanting you to myself (to myself)  
And i told you I wanted to be just friends (be just  
friends)  
Is it selfish of me, to feel jealousy  
Now that you're off with another man

CHORUS:  
Don't hold my past, against me  
I know what i want,  
what i want finally  
So you were right  
You're just what I need  
I know what I want,  
what i want finally

Now I know that I need you  
Like I'm feeling you  
No more playing games now  
Girl i give you,  
anything you want  
everything that i can  
I'm down for you baby girl I'm all in (all in)

Finally, finally  
(all in)  
Finally, finally

I'm whose to blame  
Alta madam was as clear as day  
Told me to commit or walk away  
I thought you'd stay  
I wanted to cuff you  
Just without the ring

Shoulda know you'd walk out without the chain ( yea  
yea)  
Am I wrong for wanting you to myself (to myself)  
Well told you I wanted to be just friends (be just  
friends)  
Is it selfish of me, to feel jealousy  
Now that you're out with another man

CHORUS:

Don't hold my past, against me  
I know what i want,  
what i want finally

So you were right,  
You're just what I need  
I know what I want,  
what i want finally

Now I know that I need you  
Like i'm feeling you  
No more playing games now  
Girl i give you  
anything you want  
everything that i can  
I'm down for you baby girl I'm all in

I know it sounds stupid  
But you donno what you've got till it's gone  
I'm losing,  
without you everything seems so wrong  
I'm choosing  
to be with you girl  
I made up my mind, I'm all in

Finally, finally  
ooohh I'm all in  
Finally, finally

Don't hold my past against me (against me)  
I know what i want,  
what i want finally (finally)  
So you were right,  
you're just what I need  
I know what i want,  
what I want finally (finallyyyy)

I know that I need you (know that I need you)  
Like I'm feeling you (like I'm feeling you)  
Now playing games now (Noo)  
Girl I'll give you  
anything you want

everything that i can  
I'm down for you  
I'm all in

Finally, finally  
I'm all in  
Finally, finally
