ain't pop like this in Italy since B.C  
descendants of Caesars and descendants of Moors  
all in together now, you gettin' frisked at the door

up inside the spot no deeper than the Jackson 5  
and it's looking good, yeah yeah, we cookin' with gas  
if you shook, you should've stayed your ass at the lab  
It's time to operate, Sade sang about me

around me  
I put the vibe out, they know what I'm about  
maybe rap to the beat, rarelay rap to a freak  
come with your heart in ya hand like Robin S  
never at the Dogo, just come up outta that Prada dress  
we all free-spirit, Joe beat, G lyrics
