Driving my life away

Rollin'....

1: Well the midnight, headlight, found you on a rainy night
Steamtrain up ahead, slow me down, making no time,
got to keep on rollin'

2: Cause the windshield whiper, slappin' at the tempo
Keeping perfect rythm with the song on the radio, got
to keep on rollin'

chorus: Ooooh, I'm driving my life away
Looking for a better way, or you
Ooooh, I'm driving my life away
Looking for a sunny day

3: Well the truck stops, cutey, coming on to me
Tries to talk me into a ride... said I wouldn't be sorry,
she was
just a baby

4: Hey, wait! Just pour me, another cup of coffee
Walk me down, check me up, shoot me out... flying
down the
highway, looking for the morning
