Verse

I keep screaming from the top of my lungs
Am I the only one?
Been beaten up for no reason at all
And now I'm feeling small

Still not happy for the things I have done
Let's turn the rain into sun
Nobody told me until she took my car
And now it's gone too far

Chorus

Say that I'm gonna be alright
Now I am floating in your lies
Keep losing track from wrong and right
Hope I'll be alright

Verse

Please help me out I got a thing to decide
I know you ain't on my ride
I'm feeling down I got no one to trust
Even though I must

Chorus

Say that I'm gonna be alright
Now I am floating in your lies
Keep losing track from wrong and right
Hope I'll be alright

Bridge

Can you hear me tonight
Can you hear me babe tonight
I don't wanna fight
Tired of your lies

Chorus

Say that I'm gonna be alright
Now I am floating in your lies
Keep losing track from wrong and right
Hope I'll be alright

Say that I'm gonna be alright
You keep me rolling on a dice
Don't know what's wrong or right
Hope I'll be alright
