Jack Jack Jack Jack Jackie Lace Back...
Oh Jack Jack Jack Jack Jack...
I wanna live in the penthouse apartment of a
condemned building with you
Yeah as New Detroit is fucking flooded
We float around by the skyscraper island

Jack Jack Jack Jack Jackie Lace Back...
Oh Jack Jack Jack Jack Jack...
We've got a view of the dirty sea rising
Windows float by on rafts made of vulture wings
So call me the goddamn wolf at the crystal piano

Jack Jack Jackie Lace Back Back
New New New Detroit's desolate
Jack Jack Jackie Lace Back Back
New New New Detroit's desolate

We've got an undersea mansion
We've got a private sun and moon
Youve got a face like a natural disaster
I look at you and my heart boom boom boom booms

We've got a view of the end of all the Earth
Children float by on the Coca-Cola billboards
So call me the goddamn wolf at the crystal piano
So call me the goddamn wolf at the crystal piano.
