Exotic celebration

Paradise celebration

Exotic celebration

In the shack with 36 rooms

Paradise celebration

In the house of dark green glass

Fantastic celebration

On the backs of singing stallions

Tropical celebration

On the ship with neon masts

Dont you carve out 70 years

They distill diamonds from your tears

I see the kids riding flamingos

Jumping off cars into the street

Everyone's asleep on the suburban lawn

Their dreams small talk above the bottles of Cabernet

Sauvignon

Exotic celebration

In the trenches filled with skeletons

Paradise celebration

On the clouds flying round the world

Fantastic celebration

On the eyelids of the desert

Sparkling celebration

On the roofs of midnight malls

Sold to the wolf teeth when I was young

Shipped off to butchers when I was a baby

I'm looking for a confetti gun

Open my mouth, there's fireworks exploding

You didn't know me when I was young

Before the stingers stung before everyone..

Took off

Exciting celebration

Paradise celebration

Fantastic celebration

## Tropical celebration

I see the kids wrapped in Christmas lights  
Dancing in the living room in bare feet  
Let's drive your car off the pier  
Open the window, swim to the beach

Sold to the wolf teeth when I was young  
Shipped off to the butchers when I was a baby  
I'm looking for a confetti gun  
Open my mouth, there's fireworks exploding  
You didn't know me when I was young  
Before the stingers stung, before everyone...  
Took off
