THIS ONE'S FOR THE CHILDREN New Kids on the Block
Merry, Merry Christmas Written by: Maurice Starr (This
is a very serious message, so everyone please listen)
There are some people living in this world They have
no food to eat They have no place to go But we all are
God's children We've got to learn to love one another
Just remember, they could be us Remember, we are all
brothers I'm not trying to darken up your day But help
others in need And show them there's a better way
*This one's for the children The Children of the world
This one's for the children May God keep them in His
throne* Many people are happy And many people are
sad Some people have many things That others can
only wish they had So for the sake of the children Show
them love's the only way to go 'Cause they are
tomorrow And people, they've got to know I'm not
trying, to darken up your day But help others in need
And show them there's a better way *Chorus* (2 times)
May He keep them in His throne Keep them in His
throne...etc.,etc
