"Movin' On"

I've been rambling 'round
For such a long, long time
Somewhere in between
I kinda lost my mind
Now I'm movin' on
I'm going, going gone
Movin' on,yeah, like the man said in the song
I'm a rolling stone... I'm movin' on
Wake up all alone
Deep in a hotel night
While away the hours
Till you finally see the light
Then I'm movin' on
I'm going, going gone
Movin' on like the man said in the song
I'm a rolling stone... I'm movin' on
My cigarettes and coffee
Won't keep a man alive
I'm thinking of my true love
In some smoky dive
I'm movin' on
Going, going gone
Movin' like the man said in the song
I'm a rolling stone... I'm movin' on
oh,Don't look over your shoulder
The sun sets at your back
By this time tomorrow
We'll be smokin' on down the track
Now I'm movin' on
Going, going, gone
Movin' on like the man said in the song
I'm a rolling stone... I'm movin' on
I've been rambling 'round
For such a long, long time
Somewhere in between
I kinda lost my mind
Now I'm movin' on
I'm going, going, gone
I'm movin' on
I'm going, going, gone
I'm movin' on like the man said in the song
I'm a rolling stone, I'm movin' on

I'm a rolling stone, I'm movin' on
