I Wanna Be Loved by You

I wanna be loved by you
I wanna be loved by you
Hi, I'm Danny, and I'm a Taurus,
And I wanna be loved by you.
Do you wanna be loved by me?
If you do, check this out.
Aaaaah....
Sounds good to you, don't it?
Oh baby, I just got to let you know

I wanna be loved by you
I wanna be loved by you

I'm Jon, and I'm a Sagittarius
And I really, really wanna be loved by only you
And I want you to only love me too.
And if this is the way it's gonna be, girl, then check me
out
I wanna be loved by you, baby

I wanna be loved by you
I wanna be loved by you

Yeah, I know, I know, I'm young....
I might be young, but I'm not too young to let you know
how I feel.
I'm Joe, and I'm a Capricorn.
And if you can relate to that, then check this out.
Oh, girl, I wanna be loved, loved by you baby

I wanna be loved by you
I wanna be loved by you

I'm Donnie, a loveable Leo
And rather than tell you how I feel, I'm gonna sing it for
you, baby
I wanna be loved by you girl
I wanna take you by the hand and make you
understand

I wanna be loved by you
I wanna be loved by you

Well, I guess they saved the best for last
I'm Jordan, and I'm a Taurus
And if you think you know everything about me, then
check this out
I wanna be loved by you baby, by you baby

I wanna be loved by you
I wanna be loved by you
