i'm a little faggot
na na na na na
i like boys
na na na na na
all the girls love me
na na na na na
'cause i'm queer-core
na na na na na

push me
punch me
drag me behind a truck
hang me from a fence
and leave me for dead

i'm a little faggot
na na na na na
i like boys
na na na na na
all the girls love me
na na na na na
'cause i'm queer-core
na na na na na
i'm a stuck up little queer
i don't like bears
yr the catcher
i'm the pitcher
i don't care if it's not fair

i'm a little faggot
na na na na na
i like boys
na na na na na
all the girls love me
na na na na na
'cause i'm queer-core
na na na na na

i'm going to fuck you in the ass
