The sirens caught me off guard so  
I pulled slowly over to the shoulder  
I took a good hard look at the girl behind the badge  
And I knew it was over.

Shes got a body like a benz and a mouth like a pistol  
Im losing control  
A pretty coat of paint and I would if I could  
Take a look at whats under the hood

Ill go ahead and tell you what it feels like  
To be oh so blinded by the spotlight  
She put the cuffs on  
So I yelled shotgun  
And now Im waiting waiting for the bang

Traffic is dead stopped I wanna shift quick  
Cuz moving slowly makes me oh so sick, but  
I gotta plan thatll keep me on time  
Swerving and racing over dotted white lines.

Shes got a body like a benz and a mouth like a pistol  
Im losing control  
A pretty coat of paint and I would if I could  
Take a look at whats under the hood

Ill go ahead and tell you what it feels like  
To be oh so blinded by the spotlight  
She put the cuffs on  
So I yelled shotgun  
And now Im waiting waiting for the bang  
You hit the sirens  
Ill hit the lights, were breaking laws tonight  
You think its wrong but  
I think its right  
Were breaking laws tonight.

If you need me you can find me  
Running red lights tonight  
If you need me you can find me  
In your backseat tonight
