"The Flood"

I see youve gotten all dolled up
With no where to go
But youre out of your mind
Oh thats fine
Youre normally not the shy type, but
I see that youve got something to hide
And all Ive got is time

If you really wanted to you could

Take back all of the tears that
You have wasted on a heartache
Turn them into rain and
Take a ride with me outside
Where we sail away together
In the sea that youve made

Im just a retail machine and
Im sold out of dreams but
I got a good deal on lies
I specialize in the fine art of
Pulling you in, leaving you breathless
And making you mine

This is the flood
