Hey now, my love,
Stop to sigh, if for awhile.
This road is rock,
But its the trying, that makes it worth while.

Ahh ooh ahh,
Baby you were born to dream,
Ahh ooh ahh,
And if I can help you to,
I'll be the one you can count on,
From the moment you wake... until final light fades.

I will be there like a wall against the waters.
So let the storm rage around us, can't find you tonight.
Stand up for you like a wall against the waters.
You'll be safe inside this love of mine.

Im not like you,
Your a dreamer, and I stay awake.
These things you do,
Need a believer, and you know I'll keep the faith.

Ahh ooh ahh,
Baby you were born to fly,
Ahh ooh ahh,
And if I can help you to,
I'll be the place you can turn to,
At the end of the day... until the moon slips away.

I will be there like a wall against the waters.
So let the storm rage around us, can't find you tonight.
Stand up for you like a wall against the waters.
You'll be safe inside this love of mine.

We'll go back the tide, like a wall against the waters.

Over and over we try and win,
Sometimes, ooh ahh
But I will be with you beyond the end.
Love can prevail it all,
You better believe it.

ooooh ahhhhh ohhhhhhhhh

I'll hold back the tide like a wall against the waters,
(back the tide like a wall against the waters)
We'll hold back the tide like a wall against the waters,
You better believe it.

I will be there, you better believe it.

Stand up for you, ahhahh,
Hold back the tide like a wall against the waters.

(fades)
I will be there, oooh I will I will be there for you.
Stand up for you, ahh,
Hold back the tide like a wall against the waters.
I will be there, you better believe it.
Stand up for you,
Hold back the tides like a wall against the waters
I will be there, oooh I will I will be there for you.
