Well Well Well

Highly suspicious, where was I last night
Seek and you shall find
And it goes in my mind, you make me draw the line
I didn't commit any crime

I'm not guilty of what you're saying I do
I'm not guilty of what you're saying I do

Well Well Well

Why you giving me the third degree?
Why you giving me the third degree?

When I'm not guilty of what you're saying I do
I'm not guilty of what you're saying I do

I'm not that cagey
But I don't need to explain
There's nothing to blame

You'll only drive me away
There's so many questions everyday
You make me go insane

I'm not guilty of what you're saying I do
I'm not guilty of what you're saying I do

Well Well Well

Why you giving me the third degree?
Why you giving me the third degree?

When I'm not guilty, of what you're saying I do
I'm not guilty, of what you're saying I do

Well Well Well

Well Well Well
Well Well Well

I'm not guilty (I'm not guilty)
Of what you're saying I do
I'm not guilty (I'm not guilty)
Of what you're saying I do

Why you giving me the third degree?
Why you giving me the third degree?
Why you giving me the third degree?
Why you giving me the third degree?

Well Well Well
