break-down)
Private World
Private World

Well I just lost a lover, who done found somebody else
I get cool and lonely, feelin sorry for myself

Private World
Private World

Oh you call that drivin then see us dream
How could it last, I'm tryin hard not to scream

Private World
Private World

The joint start shakin, its ready to crumble
The boys are dukin, lookin for a rumble

Private World
Private World

One that is movin, at least I'm movin

(better shut that door)
Private World,
Private Girl,
Private World
(Better keep it confidential)

Private World
Private World

Oh, you know I want some money, she replies
When uptown comes downtown, better take her for a
ride

Private World
Private World

How many called, called my name

I'm tryin to explain, that I'm not the same

In a Private World

In a Private World

Well I just lost a lover, who done found somebody else
I get cool and lonely, feelin sorry for myself

In a Private World

In a Private World

One that is movin, at least I'm movin
(shut that door)

Private World,

Private Girl,

Private World

(Better keep it confidential)

You got to keep it confidential

You got to keep it confidential

When I says hush

Child dont you cry

I'm beggin you hush

And dry those tears from your eyes

You gotta hush

Dontcha know you gotta hush

(Oh, alright
