"Pent Up"

Whenever I'm alone with you
I keep to myself
It's not because I'm bored with you
It must be my health
I feel like I'm a little kid
Afraid to go to school
I lock myself inside my room
And act like a fool
I don't know why
And I don't miss it
I wanna cry
And no one's listening
I don't know why
The phone keeps ringing
But I'm not home
Or maybe I am
The world outside is not the same
I don't give a damn
I like around in bed all day
The ceiling's all I see
You try to take me out the door
But I won't leave
(Chorus)
On my own
I'm afraid
All my feelings
Seem the same
Feel the same
