Don't talk to me about selling out cause I won't be
listening
You're just another jaded kid who doesn't see
I'm making money that's quickly spent
I've got a family you ain't gotta worry 'bout the rent
Is it too much to ask do me a favor close that punk rock
rulebook
Cause times have changed and so have I, I need to get
by
Don't think I'd blindly take this all, without asking
questions
You've waited years for me to fall, and I'm still here
You think you're clever, what do you know
The punk band wagon's taken you where you don't
wanna go
Is it too much to ask, do me a favor close the punk rock
rulebook
Cause times have changed and so have I, I need to get
by
Is it too much to ask, do me a favor close that punk
rock rulebook
Cause times have changed and so have I, I need to get
by, good bye
