You should be here  
You should really be here with me, baby  
You should be here  
You should really be here with me, baby

You should be here  
Girl, you know you drive me crazy  
You should be here  
Girl, you know you drive me crazy

You should be here  
You should really be here with me, babe  
(Oh, oh, oh)  
You should be here, I just wanna drive you crazy

You should be here in the mornin' time  
When I'm makin' my breakfast  
You should be here beneath me  
To feel me, to heal me

You should be here to ride me  
To trap me and climb me  
You should be here, I'm a good man  
And I work hard on my night job

You should be here  
Let me show you what you're missin' every day  
You should be here  
Once I get you, you ain't never gonna walk away

You should be here  
Well, I got more than just a big stick and some money  
Girl, I wish you were here  
You should be here, you should be here

You should be here in the evenin'  
Get to squeezin', teasin'  
Forget the reason why you're shook up  
Oh, lately you should see the tricks that I got

Oh, for you, mama  
Specially in bed, my lady

Let's get lazy and make babies, you make me hot

You should be here

Let me show you what you're missin' every day, yeah

You should be here

Once I get you, you ain't never gonna walk away, yeah

You should be here

See, I got more than just some good dick and some money

Ooh, girl, I wish you were here

You should be here, you should be here

'Cause I don't like bein' lonely

You should be here with me, babe

You should be here with me, babe

Girl, you know you drive me crazy

Girl, you know you drive me crazy

You should really be here with me, babe

You should really be here with me, babe

I just wanna drive you crazy

I just wanna drive you crazy

You should be here

Oh yeah

(Oh yeah, yeah, yeah)

You should be here

Oh, oh, oh, oh, yeah

You should be here

Oh, oh, oh

(Yeah, yeah, yeah)

Ooh, girl, I wish you were here

Oh, oh, oh

(Yeah, yeah, yeah)

I wish you were here with me, baby

Girl, I wish you were here

You should be here

You don't know what you are missin'

You should be here

For in my dreams last night, I think I had you anyway

You should be here

Well, I got more than just a big stick and some money

Ooh, girl, I wish you were here

You should be here, you should be here, yeah, yeah

Said I really want, babe

(I said I really want you, babe)  
Said I really want, babe  
(Wish you were here with me)

Said I really want, babe  
Said I really want, babe  
(Oh, really, really want you alone with me)

Said I really want, babe  
Said I really want, babe  
(Said I really want you alone with me)  
Said I really want, babe, hey, hey
