I'm good man, food on the table  
Working two jobs, ready, willing and able, check  
Good man, up having fun  
Got no kids and I love the Lord, check

Good man, I'm monogamous  
Never did time well, maybe just once, check  
Good man and I puts it down  
Wanna say it twice but I puts it down, check

How could you ever walk away  
After all I've done for you?  
I feel like there's a knife in my back, babe  
You might as well put it all the way through

I'm good man, food on the table  
Working two jobs, ready, willing and able, check  
Good man, up having fun  
Got no kids and I love the Lord, check

Good man, I'm monogamous  
Never did time well, maybe just once, check  
Good man and I puts it down  
Wanna say it twice but I puts it down, check

You watched them handcuff me lady  
And walk me through my own home  
I never been so humiliated  
I don't think that I deserved this from you, good man

I'm good man, food on the table  
Working two jobs, ready, willing and able, check  
Good man, up having fun  
Got no kids and I love the Lord, check

Good man, I'm monogamous  
Never did time well, maybe just once, check  
Good man and I puts it down  
Wanna say it twice but I puts it down, check

Right now I'm better, better than ever  
So much better now

My life is better, my love is greater  
So much better now, without you  
I never felt so good inside, without you

I never felt so good inside, I'm a good man  
How could you just get up and walk away?  
See but when things got rough  
You quickly ran to me, somebody save me

I'm a good man, there's one thing I know  
So I'm gonna tell you that I'm a good man  
Thanks to you  
Good man, good man
