(Feat. Joss Stone)

It was  
That one kiss from you  
That changed my life  
In just a minute, girl  
It was  
That one kiss from you  
That changed my life  
Into a world of gold  
It was just  
That kiss from you  
That showed me  
What I truly  
Needed most  
Needed most  
It was just  
That kiss from you  
That showed me life  
Can be so beautiful  
Beautiful, beautiful  
Oohooh, oohooh  
Oohooh, oohooh

It's like  
You're taking the words  
Right out of my mouth  
(Yeah)  
And say exactly  
How I feel  
(Yeah, yeah)  
I could fool a few  
But never you  
Never you  
So I keep trying  
To find  
Yeah

You sure picked  
The right time, lady  
(Hmm)  
To come into my life

(You know I did)  
One kiss from you  
One kiss from you  
And then I knew  
Oohooh, oohooh  
That this  
Was something  
Oohooh, oohooh

Just one kiss from you  
That changed my life  
In just a minute, girl  
(Hmm, yes it did)  
It was just  
That kiss from you  
(Oohooh)  
That showed me life  
Can be so beautiful  
Beautiful, beautiful  
Oohooh, oohooh  
Oohooh, oohooh

Come on, girl  
Come on, boy  
Bring it on down  
Bring it on down

Come on, girl  
Come on, boy  
Bring it on down  
Bring it on down

Come on, girl  
Come on, boy  
Bring it on down  
Bring it on down
