See she is so sexy, the way she talks  
The way she walks, it really drives me crazy  
I think I like you girl

Enjoys the moment and takes her time  
And does it right 'cause she's not just the average  
I really like you girl

And there's something about her lips, the way she kiss  
The way she walks them heads go  
I see I like you sugar

Oh, then she'll look and it's so sweet  
It knocks me right up off my feet, now baby  
I see I like you sugar

Oh, girl I'll never give you up  
'Cause ain't no other good enough  
And nothing can compare to you  
I waited all my life to be with you

Oh, here I stand and when I fall  
Only you'll come back for more  
Oh greatest love I ever seen  
And girl your love has got me beat

Girl you, got me thinking 'bout you everyday  
I'm not complaining now  
I wanna say, her touch, her smile  
Keeps me, livin' right  
I gotta say, she's the best for me

(I guess I tried and tried)  
To hide the way I feel  
I can't explain it  
(Can't explain it)  
It's just too damn good  
So I can tell the world, you got my heart  
I love your mind design

Oh, girl I'll never give you up  
'Cause ain't no other good enough

And nothing can compare to you  
I waited all my life to be with you

Oh, here I stand and when I fall  
Only you come back for more  
Everything she does is sweet  
She knocks me off my feet, that girl

I'd like to invite Mr. Stevie Wonder  
To my album, come on Stevie

Oh, girl I'll never give you up  
Girl I'll never give you up  
'Cause ain't no other good enough  
And nothing can compare to you  
I waited all my life to be with you

Oh, here I stand and when I fall  
Only you come back for more  
Your love is so unique  
You knock me off my feet

Girl I'll never give you up  
'Cause ain't no other good enough  
And nothing can compare to you  
I waited all my life to be with you

Here I stand and when I fall  
Only you come back for more  
Your love is so divine  
You're always on my mind

Girl I'll never give you up  
'Cause ain't no other good enough  
And nothing can compare to you  
I waited all my life to be with you
