I have learnt a thing or two
There is a romance in the after hours
Drinking all night with you walking home under the...
shadows
What is so wrong with my heart I told her that... is debut
here it goes... before we had a chance to.
Tell me the ending I know it's written into all your
stories
How can you change it and keep the best parts from
the...
Nobody knows but you I told myself it wouldn't be true
When the sun comes up and see the daylight... a day or
two

I don't want to know what you were thinking don't let it
show
Tell me something good am sick of the story
I know that you could
I am one... to your game
I was rather...
I don't want to know what you were thinking don't let it
show
Tell me something good am sick of the story
I know that you could
I am one... to your game
I was rather...
If it's never gonna go right
I would rather play side ways
