Me and my homies, we tighter than a glove  
We chop a lot of game is how we do it at the Playaz  
Club  
Check the fool or kick it in the tub  
'Cuz we kick much ass at the Playaz Club

I got a hoe named Real de Real  
She got a buddy named SP 12, now, you know the deal  
We getz freaky in the studio late night  
That's why the beats that you hear are comin' real tight

Somethin' to roll to, somethin' to stroll to  
If you's a playa in the game this will hold you  
Mo money mo money for the bank roll  
Stick to the script don't slip in the nine-fo

A lot of fools put salt in the game  
Till when these women get the notion that they runnin'  
the game, huh  
I run my own and I'm my own self person  
No respect make the situation worse then

Fillmoe, H.P. and Sunnydale, there's a playaz club  
everywhere you dwell  
Lakeview, P.H. and Army Street, a different part of town  
A different kind of freak, I just wiggle my toes on a  
mink rug  
And press play on the remote at the Playaz Club

Me and my homies, we tighter than a glove  
We chop a lot of game is how we do it at the Playaz  
Club  
Check the fool or kick it in the tub  
'Cuz we kick much ass at the Playaz Club

More champagne, Mr. 4-Tay?

From day one, I had to get my money right  
Me, Fly and Franky J we took a airplane flight, huh  
They wanted to hear a rap, I said alright bet  
We dropped the beat and grabbed the mic then they  
wrote a check

A few G's for the pocket no hesitation  
Took a flight back to the Golden State and  
Shops made orders from a whole new capital  
The word was gettin' out 4-Tay's out rappable

Don't need a Glock but I bought one just in case  
Suckas try to stop me from pursuin' my paper chase  
'Cuz the chase is on because it don't stop  
I got the beat and got the rap you make the Glock pop

So treacherous suckas couldn't sweat this on a bad day  
By the way just in case you never heard  
Rappin' 4-Tay, I'm on the smooth tip  
Never trippin' off them suckas poppin' off at the lip

I pop the top off the drank and we can roll some dank,  
bro  
Leave the gat at the house bring some Dominoes  
Take off your shoes relax and get a body rub  
And shoot your mackin' at these women at the Playaz  
Club

Me and my homies, we tighter than a glove  
We chop a lot of game is how we do it at the Playaz  
Club  
Check the fool or kick it in the tub  
'Cuz we kick much ass at the Playaz Club

You can't resist it but don't get it twisted  
V.I.P. that means the number's not listed  
Membership is based on clout and how you carry  
yourself  
Now, homie what you all about?

I stack paper and kick it with the O.G's  
Some got a nine-to-five, some drink a lot of keys  
You can learn a whole lot from a playa  
A lot of these playas make a damn good rhyme sayer

A lot of people get a misconception  
And start driftin' in the wrong direction  
Miss Goody Two Shoes, see you later  
I ain't got time you ain't nuthin' but a playa hater

I'd rather kick it with the crew in Arizona  
They chop game like we do in California  
Another show another flow a new bank account  
But cash money comes in large amounts

So get your membership but never slip to lame fast

Or else us and fly will have to tap that ass  
And drop you to the ground and make your knees  
scrub  
It's just an everyday thang at the Playaz Club

Me and my homies, we tighter than a glove  
We chop a lot of game is how we do it at the Playaz  
Club  
Check the fool or kick it in the tub  
'Cuz we kick much ass at the Playaz Club

Me and my homies, we tighter than a glove  
We chop a lot of game is how we do it at the Playaz  
Club  
Check the fool or kick it in the tub  
'Cuz we kick much ass at the Sucka Free club

Yeah, I'd like to send this shout out  
To all the Playaz Clubs throughout the world  
I know they got a Playaz Club out there in Chicago  
What about that one they got out there in Philly, Fo?

You know they got one out there in Atlanta, the way  
they by choppin'  
Shit, Detroit, New York, Texas  
Yeah, but we gonna move on down to these  
Playaz Clubs close to home like Seattle, L.A.,  
Bakersfield, San Diego

P.A., V-Town, Richmond, Sacramento  
Yeah, but a special shot goes out to the  
Playaz Club right across the water in the Biggity Biggity  
O  
Yeah, and last but definitely not least yeah, them

Man, on the corner of Third and Newcomb right in the  
heart of H.P.
