Born To Wander
Rare Earth
Tom Baird

There's nothin' you can do girl,
There's nothin' you can say.
You're talkin' to the sky girl,
I just got to get away.
Got to hear the wind song
Singin' in my ear.
Got to get it on girl
And I'll never make it here.

'Cos the wind was my mother,
The highway is my brother.
I was born to wander,
And it's time for movin' on.
I was born to wander,
Turn around and I'll be gone, gone, gone.

I'm just followin' my heart girl,
And it's followin' the sun.
Lookin' for an answer
I know may never come,
But I gotta chase my dreams girl,
Like a river to the sea,
Got to find a rainbow,
That's waitin' there for me.

'Cos the wind was my mother,
The highway is my brother.
I was born to wander,
And it's time for movin' on.
I was born to wander,
Turn around and I'll be gone, gone, gone.
