Jumping the Gun

You working really hard for your big paycheck
You been working too hard without a choke or wreck
It's the way it really works it's the money you roll
You are the one who is to take your own bowl
You open the board you are the play'eth the game
Work is what you gotta do for your way to fame
You feeling all hippy you up real great
You got enough money for a real estate
You buy a vacation real cheap on internet
You got nothing to lose just fiddle wid the hi-tech
You take a trip down to the US state
Lets just hope yo hotel don't disintegrate
You stay at a room number 613
You gotta bath tub and your own TV
Your lucky to get digital and yo room service
But where your ex lurks you might get nervous
You go out on tour bus the sights you see
The planes, the boats, the animals the bee
Don't become one with them your bein watched
Your ex is on the bus just hide and crotch

Ya'lla jumping on the gun all gonna feel straight
Until that gun shot comes out like bait
The song does have a real twsit to it
All ya gotta do is just shake to it
I am the one whos gonna rap and stun
Ya'lla in trouble if you jumping on the gun
I am the one whos gonna rap and stun
Ya'lla in trouble if you jumping on the gun

You livin on the streets pickin stuff outta bins
You getting fish bones/aluminium tins
A dirty cup of soup and a stale loaf of bread
A crap sandwich and a coke instead
You smell like a dumpster you live in there too
By the looks o stuff it aint great for you
Unlike that other guy from 1ST verse yeah
Do us all a favour and don't fuckin stare
You chained to the bus stop you lying cold
I would feel sorry for you coz ur old

Stayin in ur youth is the best thing to do
No one gonna scare u like a ghost would BOO!
You walkin on the streets tryin makin sum friends
It's the only thing good since your chains broke ur
Hands
Its stunning the way that you live like this
Its crude the way that you live like shit
Meanwhile Rappin Aly 900 is shinin
Money stacked high and my private jet glidin
I never knew the stuff I cud do
Until year 4 I heard that too
Who knew I cud go on like this
Rappin for a livin its nuthin but bullshit
Ya'lla jumping on the gun all gonna feel straight
Until that gun shot comes out like bait
The song does have a real twsit to it
All ya gotta do is just shake to it
I am the one whos gonna rap and stun
Ya'lla in trouble if you jumping on the gun
I am the one whos gonna rap and stun
Ya'lla in trouble if you jumping on the gun

Jumpin on the gun
Jumpin on the gun
Jumpin on the gun
Its bullshit its jumping on the gun
Jumpin on the gun
Jumpin on the gun
Jumpin on the gun
Its bullshit its jumping on the gun

My machete coming out for some tight action
We are all soldiers in the same faction
Get the playoffs get the money get the shot
Get all of this and make sum1 go "WHAT!"
I'm higer than you on 900 Level
You on Napster downloadin instrumental
My rap hip-hop gonna rock the state
Gonna pump it up wid some hip-hop inner rate
Pump it up wid hip-hop tight!
Cap it up wid sum rap tonight!
Let Rappin Aly 900 rock the world!
The 900 Level I ain't found no curl

Ya'lla jumping on the gun all gonna feel straight
Until that gun shot comes out like bait
The song does have a real twsit to it
All ya gotta do is just shake to it
I am the one whos gonna rap and stun
Ya'lla in trouble if you jumping on the gun
I am the one whos gonna rap and stun

Ya'lla in trouble if you jumping on the gun

Jumpin on the gun

Jumpin on the gun

Jumpin on the gun

You better stop now stop jumpin on the gun

Jumpin on the gun

Jumpin on the gun

Jumpin on the gun

You better stop now stop jumpin on the gun
