I got the Chevy all shined up  
Paid a little more for a haircut  
Ironed up a pearl snap  
Left that old ball cap  
Gave myself a little extra smell good splash

I did it for the girl  
Dancin' in the sunset  
To get to see her sippin' on Corona, little silhouette  
I did it for the moonlight, slow ride, slidin' over by my  
side  
Been waiting on that all night kiss  
I did it for the girl

I dialed her up some more George Strait  
Me and old George sang Marina Del Rey  
There by the water's edge  
Big sky turnin' red  
That perfect night she said she can't forget

I did it for the girl  
Dancin' in the sunset  
To get to see her sippin' on Corona, little silhouette  
I did it for the moonlight, slow ride, slidin' over by my  
side  
Been waiting on that all night kiss  
I did it for the girl

I did it for that long hair, fallin' down, layin' on her  
shoulders  
Those blue eyes want me to hold her

I did it for the girl  
Dancin' in the sunset  
To get to see her sippin' on Corona, little silhouette  
I did it for the moonlight, slow ride, slidin' over by my  
side  
Been waiting on that all night kiss

I did it for the girl  
Dancin' on the front porch

Reachin' out to grab my shirt and pull me through the  
front door  
I did it for the midnight, candlelight, anything to make  
her mine  
All mine  
I did it for the girl  
I did it for the girl
