Open your self, let me inside
Open your arms, I have nowhere
To go, so let me in to you
I need to be where nothing can hurt me

Open your legs, to let me crawl
Inside of you, I need to be
Inside your womb, so take me home
Inside of you, envelope me, I'm home

[Chorus:]
Bringin' me down [x2]
I wanna be your baby
Bringin' me down [x3]
I wanna be your baby
Bringin' me down

Open your lips and take me in
I need to be inside within
Let me become a part of you
Let me inside of you, swallow me whole

I want to know the things you hide
I want to feel the things you feel
I want to breathe the air you breathe
I want to live inside of you, take me

[Chorus]

Let me live inside [x4]
