Stiff Upper Lip (2000)
(Young, Young)

She make the place a' jumping
The way she move around
She like a romp and rolling
That when she get it out
And when she start a rocking
She bring me to the boil
She like to give it up some

New satellite blues
New satellite blues
New satellite blues
New satellite blues

I'll bet your clear for watchin'
Yeah, yeah she's running hot
She got the set for pumpin'
She gonna take the lot
The way she get the puddin'
She's getting set to bowl
I'd like to chew it up some

New satellite blues
New satellite blues
New satellite blues
New satellite blues, yeah, yeah
New satellite blues
New satellite blues
New satellite blues
New satellite blues
Can't get nothing on the dial
The freakin' thing's gone wild
All I get is the god damned news
New satellite blues, yeah

- solo -

New satellite blues
New satellite blues, yeah

New satellite blues
New satellite blues
I got the satellite blues
New satellite blues
New satellite blues
New satellite blues
This ain't nothing but a load of crap
(???)
You can stick it through your bones

Oh yeah

I got the new satellite
Blues
