UP TO MY NECK IN YOU
Powerage (1978)
(Young, Young, Scott)

Well I've been up to my neck in trouble
Up to my neck in strife
Up to my neck in misery
For most of my life
I've been a fool
And you know what a fool can do
I'm telling you
You came along when I needed you
Now I'm up, I'm up to my neck in you

And I've been up to my neck in pleasure
Up to my neck in pain
I've been up to my neck on the railroad track
Waitin' for the train
To cruise on through
Well baby my time is due Oh it's
