As a child Christopher was outspoken when it suited  
him at times he was quiet  
and of course he was mischievous as all little boys are  
as a young man he likes  
to do everything he liked to read he likes to be with his  
friends as young kids  
r young boys he enjoyed life everything that would  
make him happy r comfortable  
he would do but mostly he enjoyed being with his  
friends and family his early  
inspirations toward rap music were the LLs of the world  
the sugar hills the Mr.  
magicæŠ and the fat boys of the rap channel those  
were all the things I heard in  
the house even though I called it noise and banging I  
know now that it is a  
accepted musical art form I was a single parent I raised  
my son on my own his  
father had no influence on his decision towards the  
musical outlet r career he  
chose my son had a mind of his own even if his father  
was around he would have  
turned to rap he loved music he loved rap at a point in  
my sons life he  
developed paranoia about death and about the dying  
we are living in a world of  
im  
perfect human beings we are greed jealousy and envy  
or manifested by what  
others have accomplished in life my son was very very  
much aware of that he  
appreciated his station in life on the directions in which  
he was going are  
traveling on the other hand there were others who I  
should uhh use the hip hop  
phrase player hating and I think that is what resulted in  
his paranoia if I had  
to change anything in my sons life that would have  
allowed him to be here  
today I would have deterred him from a career in  
music im aware that millions

appreciated his music millions loved his music be that  
it may if he hadnæŠ°  
chosen that life style that career my son would be alive  
today if I could sum  
up Christopher in one word the word would be  
generous th thing that my son  
loved most about life was the fact that he was in a  
position to help position  
to share position to give to others who needed to  
others who wanted to others  
apreciat4d the gifts that he gave thatæŠ° what he  
loved most
