[Krayzie Bone]

In the middle of a hour, bring niggas more drama than they baby mamas, nigga wanna battle,ima bomb ya, one man will attack like a pack of pirahnas, like taracotta,

niggas always ready for the war, they don't really wanna see a nigga tho,

we can hit 'em ina minute then we finished wit'em,

hit'em with tha feelin of a nigga witha sicko flow,

doin it wit Swizz, Oh NO!, u niggaz is jus tro-ou-ble,

somebody better call po-po, its gonna be murder when i get through servin em verbally (YEAH),

nigga ya'll heard of me, wig splitter,killa nigga word to me,

and im classic like Bird and Magic, with a tactic to snatch his rep back, and stack some platnum

double on'em at random, with the bullets i brand'em,

fixin' to hold the game ransom,

runnin up in your mansion, cash demandin, mask and cannons, niggas ain't ready for this 1,

cus im on a mission to get even better believe it, im heavily heated,

its easy to see it, if you wana see me, let that be the reason.

[B.I.G. - Chorus]

Spit your game, talk your shit,grab your gat, call your cliques,

Spit your game, talk your shit,grab your gat, call your cliques, squeeze your clip hit the right one,

pass that weed i got to light one,
